

"Green" Fun

Many Chinese people have a common (共同的) hobby. It is planting vegetables! We plant vegetables everywhere, even in space and Antarctica (南极)! In February 2022, Beijing will hold the Winter Olympic Games. (Designers turn the rooftops (屋顶) of eight buildings in the Winter Olympic Village into farms.) Athletes from around the world can try planting vegetables there, too!

"Green" Fun

Chinese people's love for planting vegetables came from a long time ago. Zheng He was a great navigator (航海家) in the Ming Dynasty. It is said that he planted ginger (生姜) on the ship during his travels. 1.

why?

来三

“Green” Fun

Today, there are 7,000 different **varieties** (品种)

variety n. 种类
kinds

of vegetables in China. Some came from other

countries long a time ago, such as carrots, potatoes

and tomatoes. Some are **unique** to China, such as

唯一的, 独有的

black fungus (木耳), Chinese cabbage and bamboo

shoots (竹笋).

a variety of
varieties of
various adj. 各种各样的
= many kinds of

Part 4 Let's learn something more

单词精讲1
